Expedition-31' is an aluminum trailerable outboard cruiser, which features modern and robust design, complimented by comfort and performance. Designed and built in Saint Petersburg, Russia, this boat follows the best craftsmanship traditions and practices in building tough boats for Northern Seas.

The interior of this yacht can be transformed into different layouts: the sofa in the central cabin can be transformed into a double bed. Floor and cabinets of the galley unit are made from laminate wood. All of the upholstery is made from light colored fabric. Ceiling is made of a light color vinyl.
